

Is God Enough: Why Is CrossPoint Here

2 Timothy 3:16

February 3, 2019

OPENING PRAYER:

Join together in offering prayers for direction for our church. Specifically ask God to reveal how we can be family to each so that everyone knows they belong and how we can reach the community around us. Also, lift up the United Methodist denomination as we struggle with theological/cultural questions.

WRESTLING WITH THE WORD:

This week we are talking about the core values of CrossPoint Church. Read Timothy 3:16,

- What is your view of scripture? How is it everything this passage says it is?
- How have you seen scripture used in the ways it is described here?
- How have you seen the Bible used improperly or in hurtful ways?
- Can we live in a world of darkness and trouble and bring light and life to others by sharing God's Word?
- The Bible brings value into our lives if we let it. How have you been able to do that in your life?

NEXT STEPS:

- Talk about how we can properly allow the Bible to guide and direct our personal lives.
- Talk next about how we can use the Bible to guide and direct others through us.
- Discuss ways where we can balance our relationships and the Bible in ways that can allow the truths of the Bible to come through without being harmful or judgmental.

PRAYER FOR THE WEEK:

Pray together that the Lord would open up His Word in our lives in such a way that we can help others know the Lord and live according to His ways.
