## **CrossPoint Church e-Giving**

1. **What is e-Giving?**  
CrossPoint Church's e-Giving is a program offered as an option to our members and friends to help them conveniently and consistently give through electronic funds transfer (EFT).
2. **What is Electronic Funds Transfer?**  
Electronic Funds Transfer is a way to send money without using cash or writing a check. Money is transferred from one bank account to another. Many families use electronic transfer of funds for bank withdrawals to meet regular commitments such as mortgage, insurance, or utility payments.
3. **How can funds be drawn directly from my bank account?**  
Account withdrawals are made only with prior authorization from you. No funds will be withdrawn unless you specifically authorize the transaction(s) to occur. This program is completely optional and is offered strictly as a convenience to you.
4. **Can I change the amount of my gift? What if I want to stop giving in this way? What if I change banks?**  
You can make any change at any time by simply completing a new authorization form.
5. **Is there a risk in making electronic contributions?**  
No. An electronic contribution is safer than writing a check; it cannot be lost, stolen, or destroyed. Plus, electronic contributions have an extremely high accuracy rate.
6. **How do I keep a record of the amount I have contributed?**  
Your bank statement will include an itemized list of all automatic deductions made from your account, including CrossPoint Church's e-Giving contributions. CrossPoint Church will continue to provide you with a quarterly statement of your offerings to facilitate record keeping.
7. **If I don't write checks, how do I keep my checkbook balance straight?**  
Your contribution is made on a pre-established day (Monday), so you can deduct it from your check record then.
8. **What are my options for giving?**  
You can give to any or all of the following: Current Expense (tithe/offering), *We Believe* Capital Campaign, Food Pantry or Sierra Leone.
9. **How often would I have to give?**  
On your authorization form you can specify whether you want your contribution made weekly, semi-monthly, or monthly. All gifts will be transferred on Mondays (or next business day if Monday is a bank holiday).
10. **Who sees the information on the authorization form?**  
Only the Office Manager will see the information provided on the authorization form.
