

All I Want For Christmas

John 10:9-19
December 22, 2019

Opening Prayer: As a group or a family pray that God will help you to look at yourself honestly. Ask him to reveal where you get your value from. Do you get your value from your position at work, your financial standing, or what people think of you? Let him remind you that your relationship with him is the most important.

Breaking the Ice:

- Name a weird talent you or someone you know has.
- What is one skill you wish you had?

Wrestling with the Word:

Read John 10:9-19

- We all have value. We all have worth. Where do we get our worth from?
- God says that he knows us. And we are meant to know his voice. What other voices try to be first in your life? What do you find yourself listening to other than God?
- You have a plan for your life. But God has a perfect plan, that you would love and trust him fully. How does someone start (or restart) a relationship with Jesus?
 - Read John 10:9 Again.
- What do you need to commit to Jesus? Your life? Your work? Your family? Your future?

Prayer for the Week: Pray that God would show you how to commit to him. Ask him to expose the things you are keeping from him. Ask for the courage, the boldness to step out in faith. If you haven't committed your life to following Jesus, pray to start that now.
