

All I Want For Christmas

Matthew 2:1-15
December 22, 2019

Opening Prayer: As a group or a family pray that Christmas has left a yearlong effect on your life. Pray that God will warm your heart all year and that our relationship with Him will be one that is constantly growing stronger. Lift up your devotional time for 2020 and that through spending time with God that our spiritual lives deepen.

Breaking the Ice:

- Describe what a great relationship looks like.
- What would a great relationship with God look like each day, week, month, or year?

Wrestling with the Word:

Read Matthew 2:1-15

- How far would you be willing to go to have a spiritual encounter with Jesus?
- It's completely possible that the wisemen traveled between one to two years. Have you ever committed to something so intensely?
- Do you have a devotional plan that you are going to commit to for 2020? God's deepest desire is to spend time with you. Will give God just some of your time each day?
- How will the year 2020 be the spiritual journey of a lifetime for you?

Prayer for the Week: Pray that God would show you and your family what a year of devotional commitment could look like. Ask God to open your eyes each day to something new about Him. Pray for the desire to step out in faith and spend time with God each day as we prepare to start this new year.
