

Nothing Happens Overnight

Serving

Hebrews 6:9-12
February 23, 2020

Opening Prayer: As a group or a family, pray that you can set a goal of finding a way for you to serve. Pray that God will give you the strength to live up to being a devoted believer. Ask the Lord to make 2020 the year that you start getting involved in serving with people in our church. Pray that serving will enhance the development of your faith.

Breaking the Ice:

- In what places have you served before?
- What do you like about serving others?
- Why should we be serving others in the world?
- What are some ways you can serve around the house? What about in your community?

Wrestling with the Word:

Read Hebrews 6:9-12

- How is God unjust in this situation? (verse 10)
- How can you love others "as long as life lasts"?
- What can you do to not "become spiritually dull and indifferent", to make sure you will "inherit God's promises because of their faith and endurance"?

Prayer for the Week: Pray that God would show you and your family how you can serve to advance your spiritual fitness. Pray that you are able to take time out of your day just for God. Pray that you're taking time out of your week to serve others whether it's in your house, a restaurant or a developing country.
