## Not the Bible

LifeGroup Lesson

**OPENING PRAYER:** As a group or a family, ask God to open your eyes to the Words of the Bible. Pray that not only would the Bible make sense but, that it would help us to understand God in a better way. Pray that we might be able to read the Bible every day and that all of us would live by its teaching.

### **BREAKING THE ICE:**

- Christians have been calling the Bible the *Word of God* for a very long time...what does that statement mean to you?
- The Bible can be confusing and complicated...share a time when the Bible made you scratch your head or wonder what God was trying to tell you.

### **WRESTLING WITH THE WORD:**

Read Joshua 1:8-9

- The writer of Joshua is reminding us that we should know the words of the Book of God's law's or what we call the Bible. What are some of the passages that you know by heart? Tough question, right? So, feel free to botch the quote or speak the quote but not remember where it's found in the Bible.
- What is one of the ways you can keep the Bible on your mind and on your lips?
- What parts of the Bible are hard to understand or believe? What parts are the easiest to believe and understand?
- What do you think about the belief that God helps us understand the Bible?

**PRAYER FOR THE WEEK:** Ask those you are meeting with to join you in praying for your biblical knowledge and your attempts to read the Bible daily. Pray together for those who do not believe in what the Bible says. Seek God's help as you strive to read and learn more about the Bible.
