Jethro – Helping to Guide

June 16, 2019

Opening Prayer: As a group or a family, pray that God would show each of us who we can help along the way. We are called to be family to each other and as a part of each other's families we can offer advice and help in times of need. Who is God calling us to help?

Breaking the Ice:

- All of us get the chance to be helpful to someone from time to time. When do you particularly remember a time when you were helpful to someone?
- Jethro was able to come along side of Moses and give him insight into what he saw was happening. While none of us like to stick our nose in where it doesn't belong, how can you open the door for someone to hear about what you're seeing?

Wrestling with the Word:

Read 1 Timothy 4:6-13

- There is this guy named Timothy who has a mentor named Paul. Paul is speaking into Timothy's life and offering him guidance. Whose life do you speak into on a regular basis?
- What kinds of things do you say to others as a form of coaching or mentoring?
- What can we do to guide others through challenging situations in their lives?

Prayer for the Week: Pray that you, your group, your family, and our church can help other people navigate the challenges that life brings their way. Ask God to help us when opportunities arise where we can mentor and coach others.
