

UNSUNG HEROS

Simon of Cyrene

June 30, 2019

Opening Prayer: As you gather together, ask God to show you who you need to model your faith for. Who in your life needs to see you passionately follow Jesus? Who in your life needs to hear and see your story? Pray that the life you live will leave a lasting faith impact.

Breaking the Ice:

- Talk about a person who was a great mentor for you? What makes someone worth looking up to?
- Who are the people in your life you have the most influence on? Who looks up to you? What can you start doing this week to live out your faith for those looking up to you?

Wrestling with the Word:

Read Deuteronomy 6:4-9,20-25

- The idea of passing on your faith reaches back into the Old Testament. Summarize some of the ways you can pass on your faith according to this passage.
- The passage says that you need to live out the commands of God in front of your family. How can we do that today? What can you start doing in front of your kids, grandkids, and friends?
- Another way to spread your faith is to talk about your faith journey. This one can be awkward. Your story is God's story and it is valuable. Who can you share your story with this week? Is there someone you are leading that should hear your story?

Prayer for the Week: Pray that we can make a change. We won't sit by and wait for the clock to run out. We will proudly walk in God's ways. We will passionately tell of his goodness. We will prayerfully pass on our faith. Let's do all we can to for the people who look up to us.
